News from your Shropshire Councillor

Susan Coleman

So far this summer we have been blessed with some beautiful sunny weather, which has meant community events have drawn lots of visitors.

I very much enjoyed the coolness of the church of St Eata's for their monthly coffee morning in July, a nice way to get together. Atcham Church fete and annual duck race was well attended, with lovely stalls and the Church Stretton accordion band. The breeze beside the river was very welcome!

Berrington Parish Council now has a Facebook page so why not give them a follow to find out things happening close to you.

We are hopeful that the broken parapet on Atcham Bridge will be repaired in October and we now have double yellow lines around Malthouse Lane and the Mytton and Mermaid to prevent dangerous parking.

Future Full Council meetings of Shropshire Council are in September and December. This is an opportunity for me to ask the Cabinet Members of the current administration about their policies on issues which affect residents of Severn Valley. In September I am going to be asking about the extension of the Connect-On-Demand bus service into Atcham and Buildwas which has been waiting for funding from the government. I want to know if that funding has now been secured and when the service will commence.

I've had emails from, and met with a number of residents, to discuss issues they have with council services in their area. Please do get in touch if you think I can help . My email is susan.coleman@shropshire.gov.uk

Our Parish councils do not meet in August. Future dates are:

Berrington Parish Council : 7pm, Thursday September 4th, Chapel Community Centre
Atcham Parish Council : 7.30pm, Wednesday September 10th, The Malthouse

I do hope you enjoy the rest of the summer.

Best wishes,

Susan

Berrington Parish Council

Village Gateways

Many residents in the parish remain concerned about speed on the main roads. Following on from the recent extension of the speed limits in Cross Houses, Berrington Parish Council is proposing to install 'village gateways' at both the eastern and western extents of the village, at the start of the 40 mph zones, to continue with measures to slow traffic down before it enters the village. Studies have shown that "gateways can be a useful device for reducing speed by a limited amount in the vicinity of the measures"[1] but they must be implemented in combination with a variety of measures. Examples in Worcestershire have shown that following gateway installation, vehicle speeds have reduced by up to 4-5 mph[2].

Gateways can give the impression of the road 'narrowing' and provide a visual deterrent to excess speeds, as part of the psychology of motorists entering into a settlement. They can also function as a welcoming entrance to the village to be proud of.

However, gateways are only part of the solution. For example, for traffic travelling eastbound through Cross Houses, by the time vehicles get to The Bell they are long past the gateway, and so a measure which at this location is effective for traffic entering the village may be less effective for traffic leaving the village.

The Parish Council is continuing to work with Shropshire Highways to implement additional measures to alleviate speeding concerns within Cross Houses. The parish council is purchasing additional Vehicle-Activated Signs (VAS) and it is hoped these will be installed by Shropshire Highways later this year.

Atcham Parish Council

Highways

The main lining works in Atcham village were carried out on 10th July, with the remainder scheduled to be done shortly after. We are aware that people were parking on double yellow lines as soon as they were painted. We would urge residents to report any infringements of the new parking restrictions using Shropshire Council's 'Report Illegal Parking' form online. This will help to inform enforcement action by Shropshire Council.

We are still waiting for the double white lines and safety signage to be put in at Emstrey Bank. Shropshire Council has given this high priority and is putting pressure on the contractor to complete the necessary preparatory quotes so that the work can be progressed as soon as possible.

SC Cllr Susan Coleman informed us that Norton crossroads has now been officially flagged as an 'Accident Cluster' by Shropshire Council—joining Emstrey Bank on the list. This new status could have a significant impact on the Outdoor Hub planning application.

Speeding

Speeding is still a concern, especially in the evenings on the B4380 and Berwick Wharf Road. The police are aware and keeping an eye on things. There's also been some dangerous driving reported on Malthouse Lane, putting pedestrians, cyclists, and other drivers at risk. Please drive carefully on our narrow lanes.

Planning applications

The council reaffirmed its objections to the revised National Trust Outdoor Hub application, stating concerns haven't been properly addressed.

The proposed additional car park (Brunning & Price) was officially refused, though an appeal is expected. Details will be shared on our website and Facebook page when they are available.

Repairs

The damaged bridge parapet is scheduled for repair in October. The old streetlight columns have been removed and a lighting survey has concluded that lighting levels on the bridge are sufficient so no replacements are necessary.

One of the wooden bollards on the bridge side of Cross Houses lane has fallen over, which means cars are now sneaking onto the grass. We will inspect the rest and look into either replacing them or possibly trying a sturdier alternative.

Meeting dates for 2025-26: 10th September, 12th November, 14th January, 11th March, 13th May.

More information on all parish council matters can be found on our website.

Do you have any comments? Or a new idea that might benefit the community? Please come along to one of our meetings or contact the Clerk. Don't forget to let us know if you have any community news that you would like us to share online. Photos of the village and surrounding countryside are also welcome, so if you snap a good view do send it to us.

News from Christ Church C.E. Primary School

Preparing, Sowing, Growing

It's time to say goodbye to our Year 6s…

It is a time of transition in primary schools across the country – Year 6s are practising songs, dances, writing presentations or preparing for plays – and wondering what September will bring. They have already been on taster days to their new secondaries and will soon be purchasing new uniform, bags, shoes etc. At the same time other parents are also getting ready for their children to start in Reception and wondering how did they grow so quickly that they are ready for school? It is a cliché 'where has the time gone?' but one we feel as teachers and school staff too!

As staff we love looking through out photo archive – here are our current Y6s when they were 4 or 5 in 2019, and here they are at the beginning of Y6 in their leaver's hoodies – at our school they get to choose their own colour.

Thank you to Parents

We are so grateful to parents who support the school journey and work alongside us – hearing children read 5 times a week, practising number bonds and times tables, working on topic home learning activities, attending Friday Celebration Worship Times, coming to musical events and even listening to recorders, discussing progress at termly parents evenings, supporting school with donations and contributions so we can offer a range of educational visits, turning up at PTA events, helping us on School Grounds mornings – the list goes on – but we do want to say to all our parents, carers and families that we are so grateful to you for the part you play. To our new parents – we really look forward to walking this journey with you over the next 7 years – and be aware – the time will fly by!

Emma Clarke, Acting Head of School

We have spaces in our Nursery for children who are 3 or over in September.

We have a wonderful setting and accept 15 or 30 hour vouchers. As a school we are 'not for profit' which means we don't have lots of extra charges and you can use your hours flexibly. Please come and have a look at Little Acorns and meet our staff and chat to us informally.

Would you like to visit us and see our friendly, village school?

You can ring the office: **01952 510383** and make an appointment to come and see school during the school day or afterwards. We love showing prospective parents around as we are very proud of our school.
Follow us on FaceBook for regular news and updates: **@ChristChurchSY5**

Our website is also full of updates and information: christchurchcressage.co.uk

You can email us on admin@christchurch.shropshire.sch.uk to book a look around.

And Finally...

We all owe Lezley Picton a huge debt of gratitude for editing the Village Pump for the last 14 years.

This is an entirely voluntary role and Lezley somehow managed to combine it with being a county councillor and, over the last few years, leader of Shropshire Council.

We wish Lezley very well in her well-deserved retirement.

It is also a fitting moment to thank Claire Wild for all her years of selfless service in the community over many years, both as our representative at Shropshire Council, but also her work on the Parish Council for approximately 30 years, many as Chair.

Claire stepped down from Shropshire Council in May, and we wish her elected successor Susan Coleman well in representing the parish at county level.

We also wish Claire a very happy retirement.
